## DIRECTORS' REPORT

Dear Members,

Your Directors are pleased to present the Twenty-Fifth Annual Report of the **Primary Dealers' Association of India (PDAI)** together with the audited financial statements for the financial year ended March 31, 2022.

### Overview of the Markets

#### Global Markets

In the first half of FY2021-22, global economic activity achieved gradual recovery as most countries focussed on vaccination to combat recurring waves of covid infection. Pent up demand coupled with intermittent supply disruptions – viz. shortage of semiconductors, port congestion, rise in price of raw materials – led to rise in inflation in advanced economies, which were initially dismissed as being 'transient'. Nevertheless, persistent rise in inflation – coupled with economic recovery – eventually led central banks across the globe to halt and reverse pandemic-era stimulus. The US Federal Reserve began tapering the pace of its assets purchases in November 2021 and finally ended them by March 2022. That month, the Fed also raised interest rates for the first time after the pandemic. Bond yields and commodity prices remained largely in an upward trajectory throughout the year. 10y UST travelled from 1.60% in April 2021 to 2.30% in March 2022, while Brent crude oil rose from 65 USD per barrel to 110 USD per barrel during this period. Escalation of the Ukraine conflict towards the end of the year (from February 2022 onwards) have further worsened inflation concerns, which have led to continued upward pressure on bond yields into FY23.

#### Indian Markets

FY 2021-22 began on a sombre note for India as the country was struck by the second wave of COVID-19 infections in April and May 2021. Subsequently, India's vaccination drive helped weather the Omicron wave of January 2022 with lesser disruption. The Reserve Bank of India began the year on an accommodative note and announced a bond buyback program 'GSAP' in April 2021. Net purchases by RBI (including purchases under "GSAP") were ~Rs. 2.2 trillion. However, 'GSAP' was terminated by October 2021 and RBI began gradually normalizing monetary policy in the second half of the year as it faced higher and persistent inflation. First, RBI used more of variable rate reverse repos in the second half of FY22 to absorb surplus liquidity, thereby pushing up the weighted average overnight rates. Subsequently, RBI started formally raising policy rates in FY22, from April 2022 onwards.

The gross market borrowing by Centre reduced from Rs. 13.7 trillion in FY21 (including borrowing for GST shortfall) to Rs. 11.3 trillion in FY22 as fiscal deficit reduced from 9.2% of GDP in FY21 to 6.7% in FY22. Meanwhile, RBI's support to the bond market in the form of securities fell from Rs. 2.8 trillion in FY21 to Rs. 2.2 trillion in FY22. Indian bond yields rose amid signs of monetary policy tightening in an environment of rising global yields and commodity prices. The 10y Gsec Indian benchmark index started the year at 6.12% and ended it at 6.84%. RBI devolved 8.7% of issuance on Primary Dealers in this fiscal, as compared to 9.5% in FY21 and 0.52% in FY20.

The upward pressure on bond yields continues in FY23 amid elevated inflation, interest rate hikes by RBI and high budgeted gross borrowing of Centre at Rs. 14.3 trillion. However, state government borrowings have surprised lower, and full year borrowing also looks set to comfortably undershoot initial expectations. Markets also look forward to possible relief by inclusion of Indian government bonds in global bond indices, which should boost the foreign demand for domestic bonds in the next year.

## **INDEPENDENT AUDITORS' REPORT**

### **To the members of Primary Dealers Association of India**

#### **Report on the Audit of the Financial Statements**

##### **Opinion**

We have audited the accompanying Financial Statements of Primary Dealers' Association of India (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Income & Expenditure and the Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of Companies (Accounts) Rules, 2014 (hereinafter referred to as the "Accounting Standards"), as amended, of the state of affairs (financial position) of the Company as at March 31, 2022, its deficit (financial performance) and Cash Flows for the year ended on that date.

##### **Basis for Opinion**

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (the "SAs") specified under Section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the "ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

##### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the information other than the Financial Statements and Auditor's Report thereon. The Other Information comprises the Directors' Report including Annexures to Directors' Report (collectively called as "Other Information") but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance. The Other Information is expected to be made available to us after the date of this auditor's report and hence we have not commented on the same.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs (financial position), surplus or deficit (financial performance) of and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
